Safety Calendar | Winter 2018-2019

Here is a list of our scheduled safety classes for the winter of 2018-2019. The list of classes represents our most commonly requested classes, which will equip your staff to better manage safety. More information about each of the classes and other classes we offer is listed on additional sheets.

Training for Safety Leaders

This year we're continuing the series of 11 modules that provide instruction on how to implement and administer a company's safety program. This training is ideal for safety directors, safety committees, project managers and supervisors. Member rate is \$60/person.

Module topics will be offered in Sioux Falls and Rapid City on an as needed basis. If you would like a specific module to be taught, please let Mike or Jim know, and we will get one on the schedule:

- Jobs Safety Analysis and Task Safety Analysis
- Safety Orientation and Training
- Site Specific EH&S Plans
- Inspections, Audits and Observations
- Work Permit Policies
- Safety Meetings
- Accident Investigation: Policies and Procedures
- Accident Investigation: Data Analysis
- Recordkeeping
- OSHA Inspection Procedures
- Employee Motivation

Cancellation Policy:

Pre-registration and payment are required. Hopefully you won't need to cancel, but if you do, please do so at least three business days prior to the course for a full refund. No refunds will be made after three business days prior to the course.
