

Who Should Attend?

This conference contains something for the entire concrete industry.

Agenda items include:

- SD DOT Updates
- Avoiding Surface Scaling
- National Concrete Pavement Perspective
- Airport Concrete Overlay
- Concrete Promotional Opportunities
- Roller Compacted Concrete
- Full Depth Reclamation
- Entertainment

If you design, specify, construct, supply, own or maintain concrete, this is a MUST ATTEND conference.

Don't miss this conference!

Register today

Professional Development Hours (PDHs):

Approximately 6.5 hours of concrete and transportation related presentations are being offered during this conference. Conference participants will receive (upon request) a certificate of completion to document their attendance and participation. It is each person's responsibility to assess the applicability of each element of the program attended to their particular professional development need and if appropriate to maintain a record of qualifying PDH credits for license renewal documentation.
