## Company Growth Award In Safety

Nomination Form:

The Company Growth Award in Safety was established by the AGC of South Dakota Safety Committee in 2021. The Safety Committee will review the applications and present the award during the AGC of South Dakota Annual Convention.

This award has been established to recognize companies that exhibit Pro-Active and continued safety growth within our membership. This award is designed for all our members' not just general contractors.

Company Growth Award in Safety Criteria:

- ✚ Continually reducing their EMR rating through safety practices
- ✚ Continually reducing recordable worker accidents and injuries year to year
- ✚ Mentoring other companies in safety to reduce overall risks and liabilities
- ✚ Actually enforcing the safety policies established by the company
- ✚ Ongoing training program and certifications documented
- ✚ Safety inspection program for workers and equipment documented
