

# An Improved Approach to Corporate Housing

Gain access to tailored options, superior service, and trusted sources — all backed by our industry-leading technology.

## Stop Overpaying

Our clients save an average of 34% off corporate housing. That's because our lean operations and time-tested relationships allow us to deliver the best value.

## Get Dedicated Service

We assign a single point of contact to ensure you get the tailored experience you deserve, along with access to our 24/7, Denver-based customer support line.

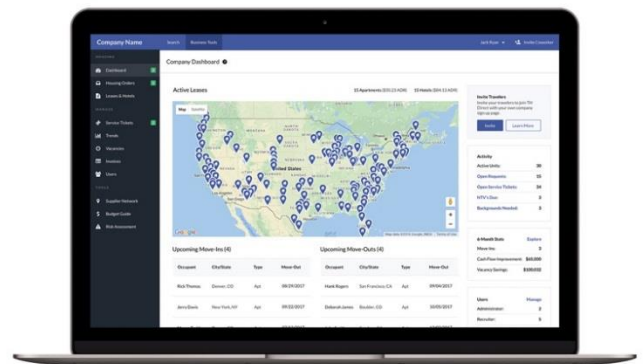

## Beyond the Big Cities

Regardless of where your employees are headed, we have the experience to provide housing in rural and mid-sized markets that fit a range of budgets.

## Powerful Online Tools

Manage all of your housing activity right from one, centralized location. The Travelers Haven Portal conveniently connects you to all your housing orders, lease details, downloadable invoices, services tickets, reporting tools, and more.
